

# *The* ANESP Tongue

**ANESP**

# Intro

## WHAT?

This booklet is a reference to all ANESPers, in which all abbreviations that one can use or find anywhere in ANESP vocabulary, are mentioned. It covers the most primitive acronyms and short forms that you'll be hearing throughout your ANESP career.

## HOW?

The acronyms are wildly used in ANESP conferences and meetings. Check this document out and you'll find the answer of this question.

## WHY?

Whenever you see an abbreviation that you either don't know or remember, go back to this booklet and look it up, always *ask* and *seek*!
